

Quality
Control and Accreditation

PHIT's Quality Management System is fully accredited to ISO 9001:2015 via Lloyds Register Quality Assurance and we continue our aim to improve systems and services to exceed our customer's expectations.

Testing and laboratory services

Quality is at the heart of everything we do at PHIT which is why we have our own onsite temperature controlled Test House facility. Within our testing laboratories we control critical processes integral to the quality of the finished products.

Testing equipment

Tensile – Room Temperature, Elevated Temperature
Hardness – Brinell, Rockwell, Vickers
Impact – Charpy (ASTM and BS EN) room temperature and low temperature
Proof Load
PMI

Raw
Material Stock

Extensive, fully certified bar stocks are always on hand within our Group Companies to meet critical deliveries.

CARBON & ALLOY STEELS	STAINLESS STEEL	SUPER (NICKEL) ALLOYS & DUPLEX STEELS	NON-FERROUS
Mild Steel	303 / 304 (18-8/A2) / 316 (A4)	*Monel 400	Aluminium Bronze

A proud member of the  LoneStar Group

LoneStar
PHIT

A premier worldwide manufacturer and stockholder of High Integrity Fasteners, Gaskets and Precision Engineered Components

Oil & Gas
Petrochemical
Power Generation
Renewable Energy

P.H. INDUSTRIAL TRADING (NINGBO) CO. LTD.

The company

P.H. Industrial Trading (Ningbo) Co., Ltd., trading as LoneStar PHIT, began operations from its Ningbo office in 2006 and has continued to develop its strategy of providing superior quality bolting products.

Continual expansion and investment has ensured that LoneStar PHIT is a leader in its field, and now carries flexible of computer controlled stock of Petrochemical Grade fasteners for immediate shipment to both LoneStar companies and direct to the Chinese marketplace.

Quality. is key. at LoneStar PHIT - they. have a dedicated warehouse situated in Ningbo, China which houses extensive testing and quality. control facilities, fully. accredited to ISO 9001:2015, ISO 14001: 2015 and ISO 45001: 2018.

LoneStar PHIT can offer a wide range of products to the energy markets worldwide:

Fasteners

Manufactures and distributes an extensive range of SAE, ASTM and ISO grade commercial, specialty, and exotic alloy standard and metric fasteners

Fasteners primarily sold to upstream OEM's in the oil and gas market and to the hydrocarbon processing and power generation industries

Gaskets

Manufactures and distributes gaskets for the oil and gas and petrochemical industries

Highly complimentary to the Company's fastener products

Precision Engineered Components

Provides a wide range of precision machined components for custom projects

High-end component manufacturing services generate strong customer loyalty

Service

We offer a single source supply partnership for industries requiring cost effective product availability and technical expertise including:

- Dedicated Stocks
- Consignment Stock
- Scheduled Deliveries
- Product Identification
- Kitting
- Packaging

LoneStar PHIT flexibly provide with high quality of the following items:

PRODUCT	MATERIAL GRADE	STANDARD	DIMENSIONS (IMPERIAL)	DIMENSIONS (METRIC)
Studbolts	B7	ASTM A193	1/2" unc to 1.1/2" uns-8	M12c to M30c
	L7	ASTM A320	1/2" unc to 1.1/4" uns-8	/
Studbolt Assemblies	B7/2H	ASTM A193/A194	1/2" unc to 1.1/4" uns-8	M12c to M24c
	B7M/2HM	ASTM A193/A194	1/2" unc to 1.1/4" uns-8	/
	L7/7	ASTM A320/A194	1/2" unc to 1" unc	/
	L7M/7M	ASTM A320/A194	1/2" unc to 1.1/4" uns-8	/
Studding (supplied in 12ft lengths,fully threaded and 100% crack detected)	B7	ASTM A193	1/4" unc to 4" uns-8	M6c to M100c
	B7	ASTM A193	1.1/8" unc-7 to 2" unc-4.5	/
	L7	ASTM A320	1/2" unc to 2.1/2" uns-8	M12c to M64c
	L7M	ASTM A320	1/2" unc to 2.1/2" uns-8	M12c to M48c
Hexagon Head Bolts (part threaded)	B7/L7	ASTM A193/A320 (dual certified)	5/8" unc to 1.1/4" uns-8 ANSI B18.2.1 Table 7	M16c to M24c ISO 4014
Hexagon Head Setscrews (fully threaded)	B7/L7	ASTM A193/A320 (dual certified)	5/8" unc to 1.1/2" uns-8 ANSI B18.2.1 Table 7	M16c to M36c ISO 4017
Hexagon Head Bolt Blanks (no thread)	B7/L7	ASTM A193/A320 (dual certified)	5/8" dia to 2.1/2" dia ANSI B18.2.1 Table 7	12mm dia to 64mm dia ISO 4014
Socket Head Capscrews (fully threaded)	B7/L7	ASTM A193/A320 (dual certified)	1/2" unc to 1" unc ANSI B18.3 Table 1A	M12c to M24c ISO 4762
Socket Head Capscrew Blanks (no thread)	B7/L7	ASTM A193/A320 (dual certified)	5/8" dia to 1.1/2" dia ANSI B18.3 Table 1	12mm dia to 30mm dia ISO 4762
